

President’s Message (Trux Dole)

Your Foundation Wants You!

It’s been a productive few months. We are picking up momentum on our top goals:

#1 Restructure with new program focused teams/committees – Done! We have defined partners by program, and the teams now have guide and charter templates, as well as a rough timeline of working toward program budget finalization for next year.

This first effort is helping us achieve goal #2; Rally around defined partners, programs and projects. Indeed, during a well-organized weekend in December, I had great conversations with both existing and new partners. By more clearly defining how we are supporting the 10<sup>th</sup> community, both WWII and Today’s 10<sup>th</sup>, we are seeing broader and deeper engagement from both partners and individual donors. It’s exciting!

Lastly, we are starting to make headway on goal #3; move the Foundation to more proactive, facilitating role as ‘bank’ for 10th community thanks to both the Collections & Public Resources team and the Scholarship team.

The following recaps the different teams’ work over the past quarter:

**Outdoor Industry:** We had good vendor interest at the newly expanded Snow Show and have several potential partners with whom we are following up. (Stay tuned.)

Icelantic is producing a second batch of their 10<sup>th</sup> Mountain ski; having sold out their first run and generating \$6K for the Foundation.

I am also collaborating with the Professional Ski Instructors of America and American Association of Snowboard Instructors (PSIA-AASI) to provide free level 1 and level 2 Instructor certification to 10<sup>th</sup> Soldiers or their families.

**Outdoor Experience:** Beyond annual support of the 10<sup>th</sup> Huts and scholarships for NOLS and STRIDE wounded warrior programs, we are now collaborating with the 10<sup>th</sup> Mountain Alpine Group (10<sup>th</sup> MAG). Newly formed by members of Today’s 10<sup>th</sup>, this organization focuses on the love of mountaineering. The Foundation is supporting publication of their upcoming issue of the Pando Post.

**Collections and Public Resources:** The Ski and Snowboard Museum/Hall of Fame at Vail is nearing completion of their remodel thanks in part to the Foundation’s seed grant, and the 10<sup>th</sup> will be featured prominently. We are finalizing an updated Memorandum of Understanding as part of our continued collaboration with the Denver Public Library’s 10<sup>th</sup> Mountain Resource Center. A new donor has also stepped up with a \$10K matching gift challenge to provide an endowment for the Resource Center. Now we just need to raise funds to match it!

**Monuments and Memorials:** We finally secured an arborist assessment on the tree looming over the Tennessee Pass monument, and we are preparing for our Memorial Day ceremony. We have also been invited to participate this year in the Bolder Boulder celebration honoring military service. On other fronts, we are keeping an eye on the newly introduced HR 4883, the Continental Divide Recreation, Wilderness, and Camp Hale Legacy Act, that will provide \$5 million in wildlife restoration and protection of 28,000 acres around Camp Hale.

**Scholarships:** We are most grateful to the Murphy family for establishing a perpetual endowment to fund the Charles A and Loyola M Murphy Scholarship for the Study of Military History. On other fronts, this year’s scholarship checks have been distributed to our four recipients, and the team is taking the first steps toward greater collaboration and coordination of scholarships across the 10<sup>th</sup> National and Descendants organizations.

**Financial Update:** Your foundation is in good financial shape. The endowment sits at \$2.8 million, and we saw a 10% return on investments. That said, we are working to reduce our administrative expenses.
